

Part # 10-2304

For many years this is Weldas® best selling MIG/TIG glove. DEERSOsoft® gloves are made from premium North American deerskin, giving these gloves excellent heat resistant without sacrificing welder control or comfort. These thick grain deerskin gloves are also versatile for MIG/TIG applications by being capable of resisting sparks & spatter while still having superior fingertip control. No more taking time to change gloves or struggling with small parts, these gloves are the perfect fit.

Applications

Light, Medium Duty Welding

Testing

Meets
ANSI/AWS Z49.1

Features & Benefits

- Length: 4" Cowhide Cuff
