

Part # 33-8830

9oz. FR Cotton Welding Jacket

With navy blue being the preferred industrial color, these washable flame retardant 9 oz. cotton garments are the latest step to a safe workplace. COOL FR™ garments feature hemmed collars, which increase durability even after many washes and specially designed under arm sport cut for increased mobility. The dielectric snaps prevent the transfer of electricity, and the spatter guard prevents from entering the jacket. These washable, flame retardant 9 oz. cotton welding garments are made to incorporate premium safety and quality features making them a step above the competition. COOL FR™ 9 oz. clothing conforms to ASTM 06413-11A flame retardant and washable test methods.

Applications

Light / Medium Duty Welding, Cutting, Fabrication

Testing
